### Complaints Handling Procedure

As a regulated RICS firm and in accordance with the RICS Rules of Conduct, Walker Singleton has a two stage Complaints Handling Procedure (“CHP”).

Stage one of the CHP gives our firm the opportunity to review and consider your complaint in full. Our firm will try and resolve your complaint to your satisfaction. If you are not happy with our response, you will have the opportunity to take your complaint to stage two, where it would be reviewed and considered by an independent redress provider, approved by RICS.

Any party wishing to make a complaint is requested to follow the procedure.
