## KEY NOTES FOR PROSPECTIVE PURCHASERS

All goods are offered subject to our usual TERMS AND CONDITIONS OF SALE stated within the catalogue.

The descriptions and quantities stated in this catalogue, together with comments made by the Auctioneer in respect of any lots, are offered as guidelines only. It is the responsibility of interested parties to satisfy themselves of the content of each lot.

Neither ourselves, as Agents, nor our principals, offer or imply any warranties or guarantees over the goods on offer. Interested parties must satisfy themselves as to the overall condition of goods on offer and should also ensure they meet all current legal regulations, statutes and legislations.

### Buyers Premium

A **Buyers Premium of 15% + VAT** will be added to the sale price of all lots.

### Auction Levy

A **stock picking levy of £5 + VAT**, per lot will be applied to all lots in the auction and is charged on final bills. Bidders should be aware this charge does not show in the bid calculation screen during bidding.

Stock is held in a warehouse system and as such lot's have to be manually extracted to be made available to buyers. Whilst the time commitment varies between lots it is deemed appropriate to recover the costs of this process evenly across all lots. This charge is mandatory.

### Online Auction Format

Lots are available for review online at [www.walkersingleton.co.uk](http://www.walkersingleton.co.uk). Wherever possible representative images of products have been uploaded. These are not images of the specific product within the lot. For lots with multiple product lines a downloadable pdf is available to provide added information.

All bidders must register to bid.

Bidding will end from **10am, Wednesday 20 September 2017**. All Lots are subject to the auto bid extension rule, as defined in our Terms and Conditions of Sale.

Due to the extent of lots a downloadable spreadsheet is available on the website to allow parties to filter/search product lines and assimilate interest before submitting bids online.

**Bidders should be conscious of the additional charges of Buyers Premium and Stock Picking Levy (plus VAT) that are added to their bid price.**

### Lot Descriptions

Descriptions are offered as a guideline. Lots have been photographed (a process that is continuing and will see more images added as the auction advances) and these images represent the content of any lot and should form the primary influence for bidders in determining their offer level. Descriptions cannot be relied up and are for guidance only.

The vast majority of the stock appears new and is packaged/tagged accordingly. Inevitably, as stock from a former retailer, there will be stock that has been returned/reintegrated together with other that has been to shows/country fairs etc. Wherever stock has been found to be identified as damaged/faulty/sample it has been recorded accordingly. Again no guarantees can be offered.

Additional lots will continue to be added prior to close of bids. These are mainly stocks of product from EURO STAR/ISABEL WERTH and MOUNTAIN HORSE plus residual mixed stock lots. These will all appear at the end of catalogue. The sale will fully uploaded by Friday 15<sup>th</sup> September 2017.

### Viewing

The manner in which the stock is stored precludes open viewing.

### Close of Auction

All final bids will be considered prior to acceptance; submitting the highest bid does not guarantee purchase – The client and Walker Singleton, in their capacity as agent, reserve the right to reject any bid at their discretion.

Successful bidders will receive an email attaching their invoice together with payment and collection details.

### Payment

All invoices must be settled by close of Business, Monday 25 September 2017. Failure to settle an invoice before this deadline may result in purchases being re-sold and action being taken against the buyer for any shortfall incurred in realisation plus the costs incurred in achieving a second sale.

Invoices must be settled by online payment into the following account:

**Account No.:** 17712424

### Fulfillment

Lots are sold "as is; where lying". It is the buyer's responsibility to arrange collection within the conditions set out below under Clearance of Goods.

Reflective of the possibility that buyers are located away from the area fulfillment services can be provided by the following business.

Mail Boxes Etc  
Tel: 01484 766497  
Contact: Stephen Gorman  
Email: [info@mbehuddersfield.co.uk](mailto:info@mbehuddersfield.co.uk)

This is an independent contractor to the Administrator and his agent and all charges must be agreed and settled directly. Rules on clearance of goods apply at the point the lot is removed from site, whether by the purchaser or this/another agent.

Lots are "loose" and not packed in a manner that any courier would collect. If a buyer chooses to ask a third party to collect they should forewarn them that a degree of packing may be necessary before the lots can be sent in transit. There are no packing materials at the warehouse.

### Clearance of Goods

Clearance of Goods cannot commence until payment is made in full and the Health & Safety provided to all buyers is completed and returned.

**All lots should be checked by the purchaser prior to leaving site.** Whilst no guarantees are offered or implied over the content of lots the auctioneer is not placed to address any issues once goods have left the property.

All lots have to be picked. Collection can only be undertaken on an appointment only basis. Picking will be prioritised by receipt of cleared funds.

All goods must be cleared by **4pm, Wednesday 4<sup>th</sup> October 2017** unless with prior Auctioneer consent.

**There is no handling equipment available on site; all purchasers should rely upon their own equipment and manpower.**

### Returns/Warranties

All stock is offered and sold without warranty or guarantee on an "as seen" basis.

### **Site Access**

Persons attend the Site and Premises where the goods are situated at their own risk and, to the extent permitted by law, neither the Seller nor the Agent will be individually or collectively responsible for any loss or damage howsoever occasioned to any person or property which may be present on the premises for any purpose whatsoever where the goods are located.

Interested parties are entering a former operational facility with potential hazards. It is the visiting party's(ies) responsibility to assess the environment and act prudently on their own assessment of the risks. Access to the sites and buildings are allowed on the understanding that all parties attend entirely at their own risk.

Walker Singleton (Asset Management) Limited is committed to ensure the Health & Safety of its staff, clients and visitors. All parties should familiarise themselves on the location of all fire exits/evacuation routes. Children under the age of 16 are not allowed on the site.
