#### **4. Auction Conduct**

4.1 Any Lot may be subject to a minimum bid or reserve price. The Seller is entitled to change these at any time before the conclusion of the Sale.

4.2 The Seller, Auctioneer or any representative, agent or person acting on behalf of the Seller may Bid for any Lot. Persons entitled to Bid pursuant to this condition shall be entitled to place Bids on any Lot up to the reserve price including placing Bids in response to other Bidders.

4.3 Lot descriptions are given as guidelines only. No warranty or guarantees are offered or implied by the Seller, the Company or the Auctioneer. Bidders are advised to inspect and evaluate the lot themselves prior to bidding. Bidders are advised to read Lot descriptions, in association with inspection, before making a Bid so that they are fully aware of any amendments to the description appearing in the Special Conditions and/or on the Website or in the Catalogue in relation to a particular Lot.

4.4 The Auctioneer may at any time before the conclusion of the Sale withdraw or divide any Lot or combine any Lots.

4.5 The Company may sell any Lot before or after the Auction. The Auctioneer may reject any Bid at his sole discretion and without being required to give a reason.

4.6 No Bid shall be retracted without the consent of the Auctioneer.

4.7 The Auctioneer may where there is a dispute between Bidders, summarily determine the dispute or immediately again offer the Lot for sale, in each case without being required to give a reason.

4.8 The Auctioneer shall in every other respect decide how the Auction is to be conducted and without being required to give a reason.

4.9 The Auctioneer may in his sole discretion delegate to a person whom he believes to be competent the conduct of the Auction in accordance with these General Conditions.

4.10 The Auctioneer may from time to time act jointly with an associated Auctioneer who will be named in the Catalogue and/or in the Special Conditions.

4.11 A Sale is concluded (constituting acceptance of the Bidder's offer, subject to General Condition 4.12 below) when:

4.11.1 in the case of a Live Auction, on the fall of the Auctioneer's hammer; and/or,

4.11.2 in the case of an Online Auction, at the close of the timed Online Auction Sale, as specified on the Website, and as defined by General Condition 4.17.3 below or;

4.11.3 in the case of a Private Treaty or Tender, when the Bidders Bid is accepted such acceptance to be communicated to the Bidder by way of an invoice from the Company.

4.12 The Buyer shall be the person who made the highest Bid at the conclusion of the Sale pursuant to General Condition 4.11 above subject to approval and acceptance by the Company, the Auctioneers and the Seller, or such other Bidder as the Auctioneer and/or the Company may declare to be the Buyer without being required to give a reason. The Auctioneer and/ or the Company and/ or the Seller is not bound to accept the highest Bid or any other Bid placed in the course of the Auction.

4.13 In the case of an Online Auction the Buyer, as determined under General Condition 4.12 above, shall within a reasonable time after the conclusion of the Sale receive by email an invoice in respect of the monies due for the Lot(s) purchased.

4.14 In the event that the reserve price is not met, the Company may consider the Bids received below the reserve price with the Seller who at its sole discretion may accept, reject or place a counteroffer.

4.15 On conclusion of the Sale and acceptance of the Bidders Bid pursuant to General Conditions 4.11 and 4.12 above, the Buyer acknowledges and agrees that he has entered into a contract with the Seller to buy the Lot and the Buyer must complete the transaction to purchase the Lot.

4.16 The Buyer may not remove any Lot he has bought until after the end of the Auction.

4.17 In relation to an Online Auction:

4.17.1 the Company cannot guarantee that the internet services will operate continuously or without interruptions and this could affect the conduct of the Online Auction and the Bidders ability to Bid. The Company shall not be liable in any respect in the event of any dispute due to errors, omissions or disruptions to internet services or power failures or any other unforeseen circumstances which may occur during the Online Auction;

4.17.2 the Auctioneer may at any time, without notice, postpone or cancel an Online Auction or extend an Online Auction beyond the published closing time (including extension of the timed Online Auction in accordance with General Condition 4.17.3 below);

4.17.3 Timed Online Auctions are auto bid extension enabled whereby the original scheduled close of the timed Online Auction will automatically be extended when competing interest is active. This continues until there are no more Bids. Such time shall then be deemed to be the close of the timed Online Auction.

4.18 In the event that the Auctioneer unknowingly sells a Lot that was not eligible for Sale (i.e. there is a third party interest that comes to light) then the Auctioneer shall be entitled to immediately rescind that Sale without any further liability to the Auctioneer and/or Company or the Seller.

4.19 Copies of the Auctions (Bidding Agreements) Act 1927 and 1969 are held at the Company's and/or the Auctioneer's principal place of business.

5.4 Until the Buyer has fully complied with its obligations in this General Condition 5:-

5.5.1 title to any Lot bought shall not pass to the Buyer;

5.5.2 the Seller shall have a lien over any Lot bought by the Buyer in the Auction;

5.5.3 if the Buyer effects or purports to effect a resale or any other disposition of all or part of the Lot, the Buyer shall hold the proceeds of resale or other disposition on trust for the Seller.

5.6 All sums payable under these General Conditions and the Special Conditions are exclusive of any applicable VAT for which the Buyer shall be additionally liable to pay to the Company. On written request by the Buyer the Company will provide a VAT invoice.

6.7 Buyers should co-operate regarding order of removal of Lots in order to comply with the Clearance Date and Time. If it transpires that a Buyer makes no effort to commence dismantling and the particular Lot is preventing other buyers from removing purchased Lots, then the Auctioneer reserves the right to insist that removal take place immediately notwithstanding the specified Clearance Date and Time. In the event the Buyer does not comply with its obligations under this General Condition 6.7, then the Auctioneer reserves the right to arrange for the removal and/or storage of the Lot and charge any attendant costs to the Buyer.

In all cases arising under this General Condition 6.11 the costs of compliance shall be borne by the Buyer and the Buyer hereby indemnifies the Company and the Seller against all losses, costs, expenses, damages, liabilities, demands, claims, actions and proceedings which the Company and/or the Seller may incur arising directly or indirectly out of any breach by the Buyer to the provisions of this General Condition 6.11 and the Buyer shall make good any damage caused to (without limitation) other lots, the Location or to any property belonging to third parties, in removing any Lot under this General Condition 6.11.

6.12 The Company shall be entitled to halt the clearance of any Lot if in its absolute discretion the removal of a Lot is being carried out in an unsatisfactory manner. Where the clearance is halted by the Company, the Buyer must liaise with the Company's site representative as to how the Lot should be removed from the Location provided that the Buyer shall at all times ensure that it complies with its obligations under General Condition 6.11 above and the Company shall have no liability in this regard.

7.2 If the Seller has rescinded the Sale but the Buyer has removed the Lot purchased, the Seller shall be entitled without previous notice to enter upon any premises where he believes the Lot to be and remove it.

7.3 If the Seller has rescinded the Sale and the Lot has been resold by the Auctioneer and/or the Company or by the Seller, the Buyer shall reimburse the Seller with any shortfall where:-

7.3.1 the resale price less the Sale price; and

7.3.2 the costs incurred by the Seller incidental to the resale.

7.4.2 the Seller may charge the Buyer for the reasonable costs of storage;

7.4.3 the Seller may charge the Buyer rent, taxes, men's wages and expenses incurred as a result of the Lot(s) remaining at the Location; and

7.4.4 the Buyer shall indemnify the Seller against any loss, damages, expenses, claims or liabilities incurred by the Seller arising from the Buyer's failure to remove the Lot from the Location.

## **8. Acknowledgements and Exclusion of Warranties**

8.1 The Buyer acknowledges that in agreeing to purchase any Lot he is not relying on any warranties or representations made by the Seller or the Company or any of their employee's agents or representatives. All representations, warranties and conditions, express or implied, statutory or otherwise in respect of all and any of the Lots are expressly excluded and without limitation any warranties and conditions as to title, quiet possession, satisfactory quality, fitness for purpose and description are excluded to the fullest extent as permitted by law.

8.2 The Buyer further acknowledges that neither the Sellers nor the Company shall in any circumstances be liable to or to compensate the Buyer nor shall the Buyer be entitled to rescind the Sale or reject any Lot for an error omission or misstatement contained in the Catalogue and/or in the Special Conditions.

8.3 The Buyer also acknowledges that:-

8.3.1 all the Lots are purchased on the basis that risk of good title to all or any of them passing to the Buyer is at the Buyer's risk and without limitation the Lots are sold subject to any claims, liens, distraint and execution and subject to all leasing, hire or hire purchase agreements and reservation of title claims (if any) in respect of them;

8.3.2 if it shall be found that the Seller does not have title to all or any of the Lots the Buyer shall have no right to rescind, avoid or vary this agreement or to claim damages or a reduction in the price paid or payable;

8.3.3 anything found in, under, near or in any Lot which is not specifically included in the description of the Lot remains the property of the Seller;

8.3.4 any intellectual property rights or software subsisting in a Lot may be third party property and as such the Seller and/or the Company may be unable to effect transfer. The Buyer will not be authorised to use intellectual property rights or software and any such use or transfer shall be at the Buyers sole risk.

8.4 The Buyer undertakes that it shall ensure that any vehicle comprised in any Lot is in a roadworthy condition in accordance with the Road Vehicle (Construction and Use) Regulations 1986 and any subsequent amendments thereof or such other relevant regulations as shall from time to time be in force before using it on a public road. It is the Buyer's responsibility to remove Company logos and lettering from vehicles. Odometer readings are not warranted.

8.5 The Buyer acknowledges that any item of plant, machinery or equipment contained in the Lot(s) may not necessarily comply with any statutory requirements or regulations governing the use of that plant, machinery or equipment in their working environment. Neither the Seller nor the Company shall incur any liability to the Buyer because of any default or defect in all or any of the Lots. Buyers are entirely responsible for ensuring that the use of any item of plant, machinery or equipment does not contravene any health and safety and environmental legislation in existence at the time of the Sale.

8.6 The Buyer acknowledges and agrees that the Company is acting only as agent of the Seller and it is expressly agreed and declared that no personal liability in connection with the Sale of any Lot or otherwise shall fall on the Company and the Buyer shall indemnify the Company against all and any liabilities arising under or in connection with the Sale of any Lot. Insolvency Practitioner(s), including Administrative Receiver(s), Administrator(s) and Liquidator(s) act as agent(s) for the Seller without personal liability and shall incur no personal liability whatsoever in relation to a Sale or pursuant to any document relating thereto.

8.7 The Buyer agrees that the General Conditions and the exclusions which they contain are fair and reasonable bearing in mind that:-

8.7.1 the Buyer must rely absolutely on the Buyer's own opinion and/or professional advice concerning the quality, state, condition, performance and functionality of the Lots any right, title or interest which is sold under the terms of these General Conditions, their fitness and suitability for any particular or any purpose, the possibility that some or all of them may have defects not apparent on inspection and examination including, without limitation, the presence of contamination and the possibility that the Buyer may not acquire title and the fact that the Buyer would have no remedy under this Agreement should that happen;

8.7.2 the Buyer has available to it skilled professional advice and on that basis agrees to purchase a Lot for a consideration calculated to take into account amongst other things the risk to it represented by the fact that the parties believe that all the exclusions and limitations set out in these General Conditions would be recognised as being fully effective by the Courts and the Seller making it clear that it would not have agreed to sell any Lot on any other basis except for a higher consideration;

8.7.3 the Buyer has been given every opportunity which might reasonably be expected to examine and inspect the Lots.

8.8 Notwithstanding anything else in these General Conditions, the Seller's and the Company's total liability under or in connection with the Sale of any Lot, whether in respect of breach of contract, tort (including negligence), breach of statutory duty or otherwise, including consequential loss, shall be limited in aggregate to the price paid for the Lot or if no price has been paid then the higher of the market value or reserve price for the Lot. This General Condition 8.8 does not apply to liability for death or personal injury.

8.9 The Buyer acknowledges that a Sale by Auction is not a consumer sale for the purposes of the Sale of Goods Act 1979 (as amended by the Sale and Supply of Goods Act 1994) and the Unfair Contract Terms Act 1977 and the Buyer shall not seek to rely upon and conditions or warranties implied thereby or by any other legislation.
